

Attention Pickleball Enthusiasts!!!

With the return of seasonal residents, activity is ramping up again. Regular games are held most Saturday and Sunday mornings at 9 am and on weekdays, pick-up games are any days that players are available.

Anyone interested in playing can communicate with other players via the TeamReach app. Ida O'Leary and Ben Ceballos are contacts.

Sue Ryan and Kim Caldwell are hoping to encourage more new players to join in, organizing a Meet-and-Greet/Refresher Gathering soon and, sometime later, clinics with an instructor for those who want to learn or brush up on their skills. Details to follow.
